OUR FOCUS ON CRYPTOCURRENCY

Having emerged as a digital alternative to more traditional methods of exchange like cash or credit cards, cryptographic or cryptocurrencies have also generated alternative points of view.

- » Individual Ownership
- » Strong Security
- » Easier International Trade
- » Greater Access to Credit
- » More Confidential Transactions

Prosphere.ltd is one of the most reliable and fastest-growing trading and investment platforms, established by a team of professional traders focusing on crypto trading over multiple exchanges and markets, guaranteeing decent profits even to investors with zero knowledge of cryptocurrency trading.

Prosphere.ltd is one of the fastest-growing trading companies, headquartered in London, with branches located in other parts of the world. Our program, unlike any other, guarantees fixed Daily interest for investors regardless of the market conditions. We are committed to pushing the boundaries of what constitutes the highest standards in Trade and asset management.

With over \$5.3 Million traded daily in the market, we are committed to giving our clients their share of the profit daily. As a leading global market maker, Prosphere.ltd has one of the Largest Independent traders and fund managers with clients from different parts of the World. Today, as a successful trade investment and asset management company, we are trusted by millions of clients. Our sterling reputation, dedication to meeting our client's needs, and innovative approach to business development are some driving forces behind our success.

Our Mission

The goal of Prosphere.ltd is to provide its users with a unique, safe, and secure platform for their investments in the field of cryptocurrency. This is why we have used a cutting-edge platform with extensive infrastructure intended to make things more convenient.

Due to this technology, our platform is able to make it possible to provide real and steady profits on an ongoing daily basis

Our Vision

At Prosphere.ltd, we commit to and offer clients of all levels of experience the opportunity to get rich and be successful in trading Crypto, Forex, and other assets. That's why we always try to expand our technical capabilities and financial turnover with the help of ASIC miners who have hands-on guaranteeing profit by generating cryptocurrencies. Prosphere.ltd envisions widening the pool of investors by engaging in strategic mining and trading of cryptocurrencies

Prosphere Card

Spice up your payment experience! Get your multicurrency traderbit.ltd Card & personal account for fast & reliable global transactions. We aim to fill a gap in the traditional financial system that has left many without access to essential banking products. According to a 2017 survey by the FDIC, 25 percent of U.S. households are unbanked or underbanked, while global numbers have reached a staggering 1.7 billion, according to data released by the World Bank. Through BlockCard, traderbit.ltd investors can have a virtual card issued to them while a physical card is shipped to them. The card has a minimum of \$1000 balance needed. It can be used at over 45 million merchants and ATMs - anywhere in the world where major credit cards are accepted.
